

Los años importantes de mi vida

Paso 1

Complete the table **Los años importantes de mi vida** below by filling out the “Yo” column with the year in both numerals and words **en español**. See the examples below.

2000	dos mil	2010	dos mil diez
2001	dos mil uno	2015	dos mil quince
2005	dos mil cinco	2020	dos mil veinte

Then, write in two other important events in your life, and indicate the years they occurred.

Paso 2

Next, ask your partner when the following events happened. Use the question **¿En qué año...?**, and point to an event from this list. Your partner should answer with a year in Spanish, e.g. **2005 (dos mil cinco)**. Jot down the year (use numerals) in the space provided. If the year matches what you wrote, say **“Yo también”**. Reverse roles so that now you have to respond to your partner's questions.
