

Empanada Orders

On Mon. Dec. 17 we are going to have an in-class empanada party! We have been studying Chile and empanadas are a typical food there. We will be ordering the empanadas from *Empanada Express*. Each empanada costs \$4. Students need to select the number and kind of empanadas they want to order, and return this paper stapled to their receipt (pay \$4 per empanada to main office).

_____ Chilean Beef: *ground beef with cumin and South American spices, egg and black olive*

_____ Argentine Chicken: *shredded chicken, potato & cumin – Argentine style*

_____ Caprese: *mozzarella, roma tomato and basil (vegetarian)*

_____ Banana Nutella: *sliced bananas, nutella and a dusting of cinnamon sugar topping (vegetarian)*

_____ Total Ordered

\$_____ Total Money Due (total ordered x \$4)

Return this order form with your name and receipt by **Friday, December 7th**!

- ☐ I will not be in class on Mon. Dec. 17th or I do not wish to order any empanadas and therefore have no receipt (write your name for zeroes for points).
