Empanada Orders

On Thu. Dec. 19th we are going to have an in-class empanada party! We have been studying Chile and empanadas are a typical food there. We will be ordering the empanadas from *Empanada Express*. Each meal costs \$9 and comes with rice and beans, cucumber tomato salad, and two empanadas. Students need to select which two empanadas they want, and return this paper stapled to their receipt (pay \$9 to main office).
