

Examen de maestría: imperfecto

Conjugate the following verbs in the imperfect tense. Then use them in a meaningful sentence below.

1. jugar

jugaba	jugábamos
jugabas	X
jugaba	jugaban

2. tener

tenía	teníamos
tenías	X
tenía	tenían

3. ser*

era	éramos
eras	X
era	eran

4. ir*

iba	íbamos
ibas	X
iba	iban

*irregular

Meaningful sentences may vary. First, you need to use the correct conjugation. Second you need to show me that you know what the verb *means* through the context of the rest of your sentence. If it makes sense and the conjugation is right you get the point.

Third, it would be a good idea to demonstrate that you know what the imperfect tense means. You can use trigger words such as *siempre, todos los días, por lo general, generalmente, muchas veces, nunca & de vez en cuando*.
