

La Frontera Field Trip

On Tuesday, November 3rd, students in my 4th period Spanish 2 class have earned the opportunity to go to the Mexican restaurant *La Frontera* to practice Spanish and enjoy good food. Students selected this field trip as a prize for reaching their class goal of speaking Spanish in class. This goal was based on the following statement from the American Council on the Teaching of Foreign Languages:

“ACTFL recommends that language educators and their students use the target language as exclusively as possible (90% plus) at all levels of instruction during instructional time and, when feasible, beyond the classroom.”

During 4th period, students will walk to the restaurant as it is nearby the school (764 Fort Union Boulevard, Midvale, UT 84047). They will not need to miss any other classes for the field trip. We will return in time for students to take the bus home. Students will practice ordering food in Spanish with the workers there. Feel free to check out their menu online.

Students will need to bring their own money to order food. They will need \$8-10 depending on what they wish to order. It is recommended they wait to eat lunch until the field trip, but they can also order a small snack for less money. If a student does not have the means to fund the trip, they or their parents need to email rachel.hill@canyonsdistrict.org beforehand so we can make arrangements for them to eat.

I hope every student will be able to go! Please let me know if you have any questions or concerns. You can contact me by email at michelle.hawkins@canyonsdistrict.org or by phoning the school at 801-826-6121.

Sincerely,

Señorita Hawkins
