

Floor Plan

Floor Plan	Exceeds/Meets Expectations (10 9)	Approaches Expectations (8 7)	Below Expectations (5)
Visual Appeal (can upload a file or link to Canvas if you want to design it electronically and present projected image)	Designed with attention to details, large, beautiful headings and labels, has color, a beautiful presentation. Creativity is evident.	Large, has color, and is neatly designed. Not too original or creative.	Lacking color, small in size, or is sloppily done.
Space	7 different rooms and 2 separate floors	6 different rooms and 1 floor	Less than 6 rooms included
Vocab	3 objects/furniture labeled in Spanish in each room	2 objects/furniture labeled in Spanish in each room	Less than 15 objects or furniture labeled
Oral Presentation			
Text Type	Sentences are linked and follow a logical order. Detail is provided. Stories are told or questions are asked.	Uses more than just strings of single sentences to present house	Uses strings of single sentences, unconnected speech, lists and other novice speech.
Memorization	100% of the presentation is memorized	75% completely memorized. 25% with notecards.	Less than 75% memorized or does any explicit reading off a paper.
Expression	Looks at the audience. Expresses enthusiasm as house is described.	Uses intonation, but mostly stares at floor plan. Doesn't bring presentation to life.	Little self-expression used in oral presentation.

*Not all categories are weighted equally. I will mark the score for each, but the grand total is not the sum or average of all the categories. I will estimate a score 1-10 overall.

Video Tour

Video Tour	Exceeds/Meets Expectations (10 9)	Approaches Expectations (8 7)	Below Expectations (5)
Vocab	20+ house-related vocab words are used	<20 house-related vocab words are used	Some house-related vocab is used, but English is used in any part of the video.
Text Type	Intermediate speech: Sentences are linked and follow a logical order. Detail is provided. Stories are told or questions are asked.	Uses more than just strings of single sentences to present house	Uses strings of single sentences, unconnected speech, lists and other novice speech.
Time	Recording is between 2-5 minutes x's the number of students in video	Recording is more or less than 2-5 minutes x's the number of students in video.	Recording is less than a minute or not enough group members participate in the tour.
Expression/Memorization	All lines are memorized and delivered with expression. Humor and enthusiasm is evident.	Some lines are read (notecards off-screen), but expression is adequate.	Delivery is monotone and boring. Script needs to be referred to.
Online submission	File correctly submitted on Canvas on time.	File not submitted correctly or on time.	File not submitted to Canvas. Student emails or brings external drive or DVD for me to deal with.
