

Permission Form for Sample Student Work, Photos, and Video

Dear Parents,

I will be conducting my final project for my Master's degree in your child's Spanish 3 class this spring. In order to do this, I would like to collect examples of student work that show the specific instructional approaches I will be investigating. I would also like to videotape my teaching and take photos of some of our classroom activities. Student names will NOT be used in conjunction with the examples I collect. No examples will be made available online. Please return the permission slip below.

Cordially,

Michelle Hawkins
